Orlando

“I frankly was blown away when we came down to Orlando to shoot.

I would take this Orlando based cast and crew anywhere.”

–Patty Jenkins, Director, Monster

“I can say from having worked on some very high-end Hollywood Films that I would match this crew of inordinately high proportion of Florida residents, to any crew I’ve ever worked with in 25 years in this business.”

–Gale Anne Hurd, Producer, The Punisher

“Wonderful locations in Orlando—historical architecture, jungles, ranches, farms, beautiful oaks with Spanish moss—not to mention wonderful people to work with!”

*–Frawley Becker, Location Manager,
Their Eyes Were Watching God*

“The Metro Orlando Film & Entertainment Commission is the BEST Film Commission I have ever worked with.”

–Ralph Singelton, Producer
