Join us as we tour Invacare!

Invacare Corporation (NYSE: IVC), headquartered in Elyria, Ohio, is the global leader in the manufacture and distribution of innovative home and long-term care medical products that promote recovery and active lifestyles. Invacare employs approximately 6,000 associates and markets its products in 80 countries around the world. The

Company is listed on the New York Stock Exchange under the symbol IVC.

Invacare's Sanford, Florida manufacturing site employs 300 to 400 full time employees. During the Invacare tour, you will observe the manufacturing of homecare beds, respiratory products, and wood furniture. You will also see how the Sanford plant drives innovation through our "Idea Room" and how the Sanford plant is successful through our Key Performance Indicator tracking.

**After the plant tour, join us for an ice cream social,
courtesy of our gracious hosts at Invacare!**
